Ya know all yall fuckin nazis talk big about how precious it is to be white and how white is so great and wonderful and what I gotta say is why yall so proud to be white. What's so great about having white skin i mean you didn't do shit to get that white skin you were just born with it so it ain't nuthin special. cuz having white skin don't mean shit. Yall still some fuckin losers. Is your damn life so pathetic and fucked up that you have to look to your white skin just to have any self esteem and little confidence

that you got. I guess so well your white skin won't do you jack in life so it's time to find something else to be proud of. And like all you fuckin kkk/nazi/skinhead/aryan assholes have racial tattoos all over your puny body and like having tattoos is something good for the cause. If you're so damn proud to be white then why the fuck do you color your skin green then. That don't make any sense cuz all you do to yourself is become less white and more green and you talk about white power. that proves you some stupid ass hypocrites. Well I guess you need to color yourself green cuz green is the color of money, something that all you poor white trash fools don't have and you feel you need to compensate for lack of greenbacks by coloring your skin green. Pretty soon you'll be calling for green power and green rule. I've noticed that a lot of you stinking nazis have the number 88 included in your e-mail addresses. Is that the combined IQ of all 500 of you aryan fucks? So if i combine all of your 500 pea size brains then you achieve the intelligence of a fuckin retard. Well congratulations I guessed I've must've underestimated you fools but you're still subpar according to rest of society and always will be. A lot of you fuckin nazis think I have no job and no life cuz I send all this shit to you punks out there. Well for you fuckin information I do have a life and a job. I work as a

[REDACTED]

Plus I'm educated unlike all you retard motherfuckers. I graduated from the [REDACTED]

[REDACTED] with a B.S. in business administration and it ain't due to know fuckin affirmative action cuz I didn't put down my race on my application so there now. Even if affirmative action was eliminated all you fuckin white trash shitheads still wouldn't be getting any jobs or into schools cuz I'm sorry to say this but you need skills and smarts to get ahead in life which is why you'll never amount to anything. Besides I can work hard at my 2 jobs and still send this shit to you and have a fuckin life. I just manage my time wisely which you dumb asses can't do. All you fools are to stupid to think you can get rid of me by killing my account. Ha I'll never leave cuz all I do is get another account and I've got a bunch of accounts as back up so I'm here for good ruining your fuckin life forever.
